# TRIAD COMMUTE CHALLENGE

*Share the Ride - Clean the Air*

To: High School & Collegiate Athletic Programs:

Members of your school's athletic program are invited to compete against other high school and college athletes in our effort to help clean the air for our fifth annual **TRIAD COMMUTE CHALLENGE!** By participating in the **Commuter Dash 5k** kick off event on **April 9, 2011**, your school representative will have a chance to win prizes including money for your team and a pizza or ice cream party.

Each individual registration signifies a pledge to try a form of alternative transportation during the challenge dates of **April 9, 2011 - July 9, 2011**. Last year, we "challenged" people across the Triad to try less-polluting transportation alternatives. **More than 4,000** people pledged to carpool, ride the bus, bike, walk or telecommute instead of driving alone! As a result, participants saved approximately \$200,000 in fuel expenses while reducing over 1.5 Million vehicle miles of travel!

Registration for this event is **FREE**. School representatives must be 16 years of age and be registered prior to April 7, 2011 by calling Chantale Wesley at (336)235-6641. We hope that you will get your school involved in this campaign. It will be a great way to help share the ride and clean the air!

Sincerely,

*Chantale Wesley*
