

ATTENTION: PART Express Riders

Airport Area Shuttle Route Adjustments

Effective 2/5/18

On February 5, 2018 PART will be adjusting the Airport Area Shuttles to run on enhanced time schedules and routes. PART is expanding the coverage from four shuttle areas to five specific routes to serve the most popular workplace destinations around the Coble Transportation Center.

These new routes will provide better frequency and connections to other PART services, increased safety for passengers and drivers, and allow for more efficient use of resources. Passengers will no longer have to call ahead for pick-ups during peak hours in the morning and evening (6:30a-9:00a & 3:30p-6:30p). **During non-peak hours (9:00a-3:30p & 6:30p-9:00p) the shuttles will continue to run On Demand and will continue to require riders to call 30 minutes ahead to schedule a ride.**

All pick-up and drop-offs will ONLY occur at designated PART bus stop signs. If you need special accommodations or help locating the nearest bus stop to your location please call (336) 883-7278.
