PART Welcomes National Express

NATIONAL EXPRESS makes the trip to Guilford County on Friday, May 10 to present the 10th Anniversary of the PART Express service.

PART Express welcome National Express to Guilford County. The annual PART Express/NCPTA Bus Roadeo was held on Regional Road in Greensboro, NC. The event featured competition for bus operators with award categories including "Most Improved," "Most Improved Junior," and "Most Improved Senior." The event concluded on July 6th, 2013. PART Express wishes to express its gratitude to Brent for his commitment and important contributions to the transportation field throughout his career.

PART Express/National Express Bus Operator Places 3rd in 2013 Statewide Bus "Roadrace"

PART Express/National Express Bus Operator Places 3rd in 2013 Statewide Bus "Roadrace." The "Roadeo" was held on Regional Road in Greensboro, NC, gathering top transit drivers and coaches. The Group employs 40,000 people and operates over 21,000 vehicles. National Express buses, trains, light rail services and coaches serve more than 700 million journeys each year. Every year over 10,000 miles are driven to secure passengers safely in wheelchairs and operating over 70 public transit routes in the northeastern United States.

PART Express operator J.W. Gilley, a PART Express/National Express bus operator in 2013. Mr. Gilley was one of the top operators and their skills, also contributes to the growth and development of the transportation field throughout his career.

PART Express welcomes National Express as a new alternate commute option. The PART Express bus service has made a significant impact on the transportation field throughout his career.

2013 TRIAD COMMUTE CHALLENGE

PART, along with Triad Air Awareness, hosted the 7th Annual Commute Challenge. The Challenge kicked off on April 6th with the PART’s Transportation Demand Management (TDM) Program supporting a wide range of transportation options for commuters. The Challenge included telecommuting, walking, biking, carpooling, vanpooling and riding the PART bus. This option was designed to reduce congestion and provide a more efficient commute experience.
