

## **TITLE VI COMPLAINT PROCEDURES**

### **Title VI Information, Limited English Proficient (LEP) information and Complaint Process (printed materials, website, and other mediums upon request)**

The Piedmont Authority for Regional Transportation (PART) grants all citizens equal access to all its transportation services. It is further the intent of PART that all citizens are aware of their rights to such access. This is designed to serve as an educational tool for citizens so that they may understand one of the civil rights laws that protect their benefits of PART's programs and services, specifically, as it relates to Title VI of the Civil Rights Act of 1964.

What is Title VI? Title VI is a section of the Civil Rights Act of 1964 requiring that "No person in the United States shall on the grounds of race, color or national origin, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any program or activity receiving federal financial assistance." Note that Title VI does not address gender discrimination. It only covers race, color and national origin. Other Civil Rights laws prohibit gender discrimination.

What is LEP? As part of Title VI requirements, PART has developed a Limited English Proficiency (LEP) Plan to help identify reasonable steps to provide language assistance for LEP persons seeking meaningful access to PART services as required by the Federal Transit Administration "Improving Access to Services for Persons with Limited English Proficiency." A Limited English Proficiency person is one who does not speak English as their primary language and who has a limited ability to read, speak, write, or understand English.

PART's Complaint and Investigation Procedures These procedures cover all complaints filed under Title VI of the Civil Rights Act of 1964, Section 504 of the Rehabilitation Act of 1973, and the Americans with Disabilities Act of 1990, for alleged discrimination in any program or activity administered by PART. These procedures do not deny the right of the complainant to file formal complaints with other State or Federal agencies or to seek private counsel for complaints alleging discrimination. Every effort will be made to obtain early resolution of complaints at the lowest level possible. The option of informal mediation meeting(s) between the affected parties and PART may be utilized for resolution. Any individual, group of individuals or entity that believes they have been subjected to discrimination prohibited under Title VI and related statutes may file a complaint.

The following measures will be taken to resolve Title VI complaints:

A written investigation report will be prepared by the investigator. This report shall include a summary description of the incident, findings and recommended corrective action.

A closing letter will be provided to the complainant and the respondent or respondent department. Parties will have five (5) working days from receipt of the closing letter to appeal. If neither party appeals, the complaint will be closed.
