

RideTheTriad.org

As part of an overall website redesign, PART is taking the initiative to produce a separate website portal for our regional URL (Uniform Resource Locators), *RideTheTriad.org*.

RideTheTriad.org currently links to PARTnc.org as a tab. The information in the current tab connects users to our partner agencies and their routes and schedules, along with other useful links that connect users to community-wide mobility options.

PART's goal in hosting a dedicated website for regional connectivity is to link riders easily to our vast network of partner agencies. Partnership support for this initiative is positive, and we look forward to streamlining information to our community. Stay tuned for us to roll out our website redesign and kick off *RideTheTriad.org*

current tab for *RideTheTriad.org*

When Work And Fun Connect!

PART is on the road to participating in two upcoming Community-Wide Events.

On March 25th, PART will participate in the Kiwanis Club Of Kernersville's 2023 Touch-a-Truck event. This is a family-friendly interactive, hands-on experience to get up close and personal with large vehicles of all types. The idea is to showcase vehicles that help protect, build, and sustain our community. Children will be invited on a PART Express bus to look inside the ride!

On April 22nd, PART will participate in "the biggest Earth Day celebration and one-day environmental education event in North Carolina"! The Piedmont Earth Day Fair. This event brings together the Triad's leading companies and organizations committed to sustainability. As the largest Earth Day celebration in the region, the event host crowds of 8,000+ people. PART is a proud Silver-level event sponsor and will also have staff hosting a tent. PART is dedicated to doing our part in creating a more sustainable community.

Piedmont Earth Day Fair

The biggest Earth Day celebration and one-day environmental education event in North Carolina!

**SATURDAY,
APRIL 22
10AM - 4PM
WS FAIRGROUNDS**

**FAMILY FUN! LIVE MUSIC!
FOOD TRUCKS!
ENVIRONMENTAL EDUCATION!**

FREE PARKING & BIKE VALET | RAIN OR SHINE

2023 Year Of The Trail

The 2023 Year of the Trail event celebrates North Carolina's vast and diverse collection of trails. It encourages all residents to recognize their role as stewards of these valuable resources. The initiative looks to a future where each of the state's 100 counties experiences the proven benefits of trails and advocates for their ongoing growth and development.

As a regional transportation authority focused on connecting communities, PART will leverage our Social Media and Website to showcase some of the region's vast trail and greenway systems and work to link citizens to mobility options they can utilize to get out and explore.

PART recently received a request from Randolph County's Trail Coordinator to sign a resolution in a show of support for this state-wide initiative, and the resolution is currently being taken into consideration.

March is Women's History Month

Women's History Month originated as a national celebration in 1981 when Congress authorized and requested the President to proclaim the week of March 7, 1982, as "Women's History Week." Throughout the next five years, Congress passed joint resolutions designating a week in March as "Women's History Week." In 1987 after being petitioned by the National Women's History Project, Congress established the month of March 1987 as "Women's History Month." Between 1988 and 1994, Congress passed additional resolutions requesting and authorizing the President to proclaim March of each year as Women's History Month. Since 1995, presidents have issued a series of annual proclamations designating the month of March as "Women's History Month." These proclamations celebrate women's contributions to the United States and recognize the specific achievements women have made throughout American history in various fields.

Follow PART's Social Media as we celebrate Women's History Month!
