

# MPO Project Selection Process

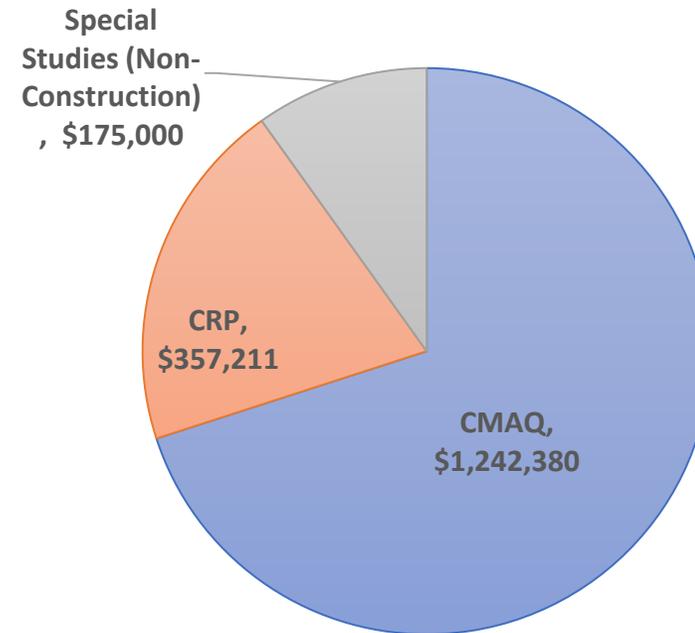

Presented to PTP – August 14,  
2024

# HPMPO Directly Allocated Apportionments

2023

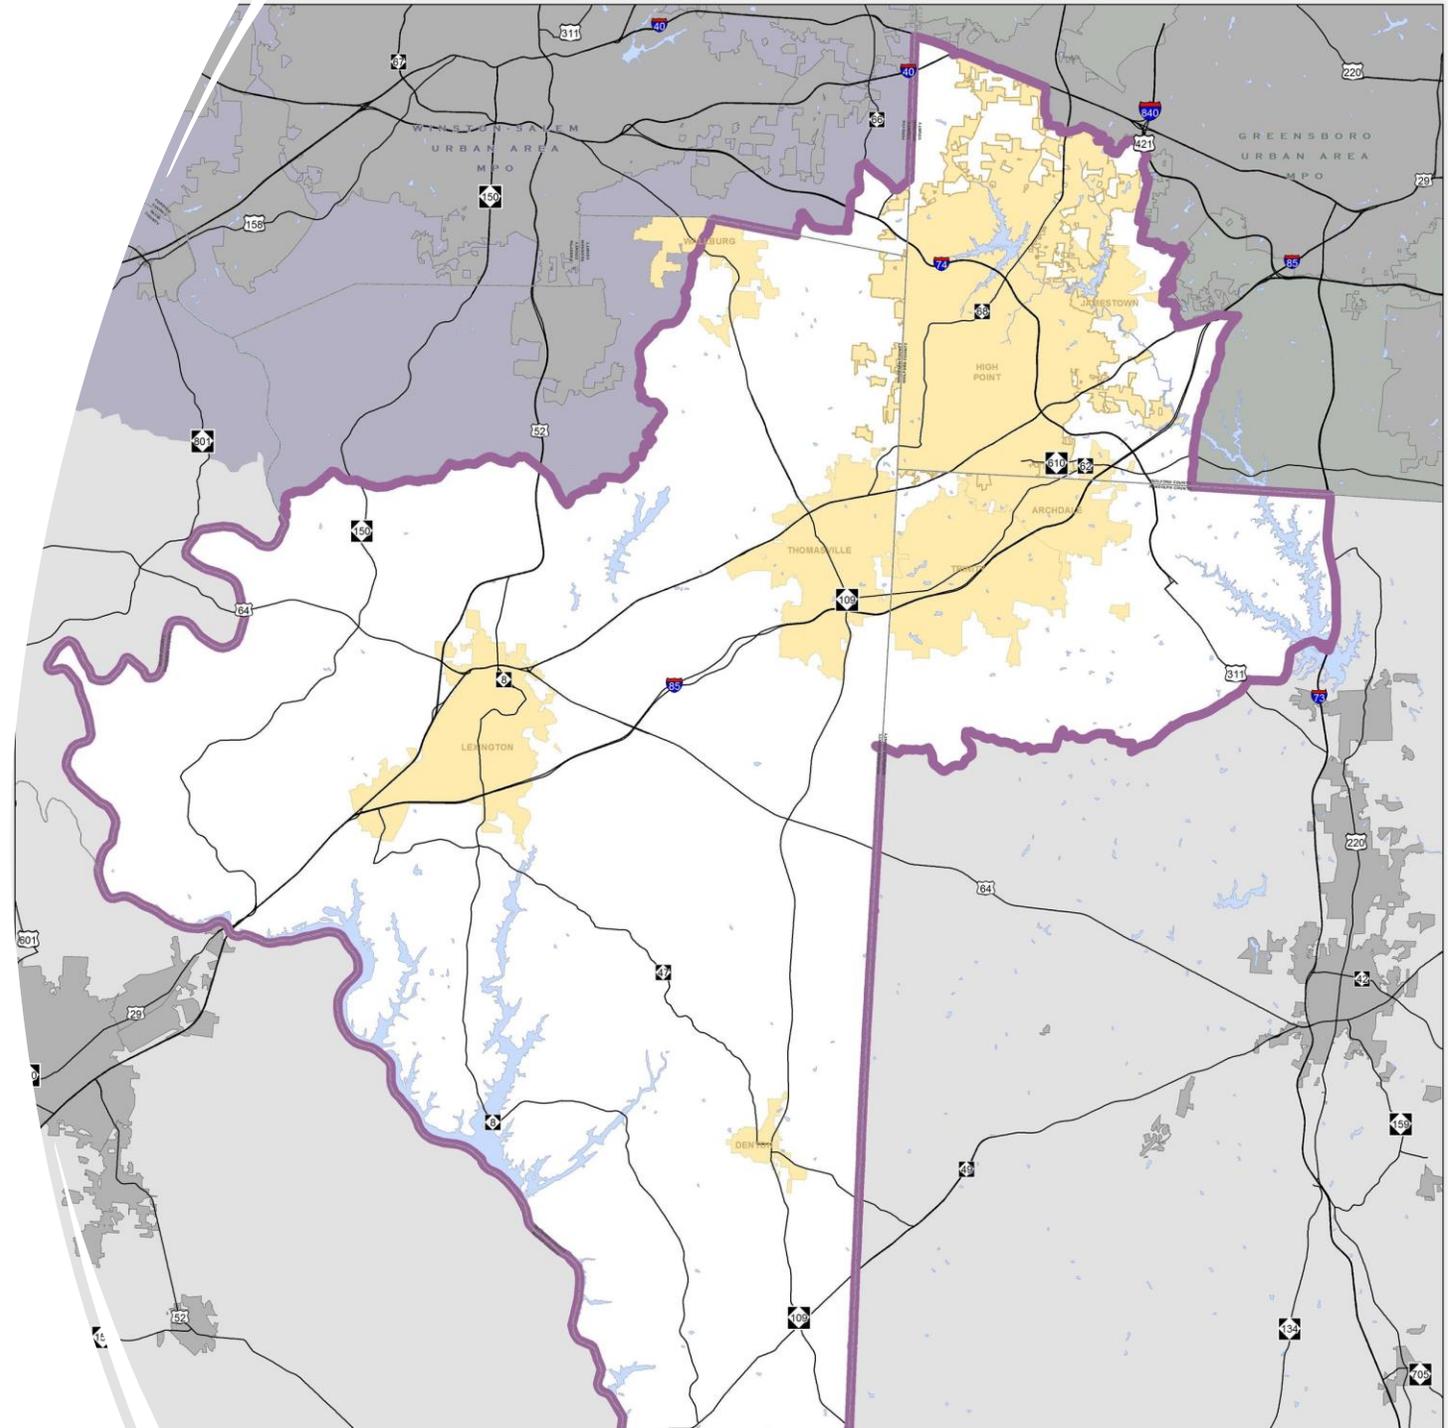

2024

# CMAQ- Congestion Mitigation & Air Quality

---

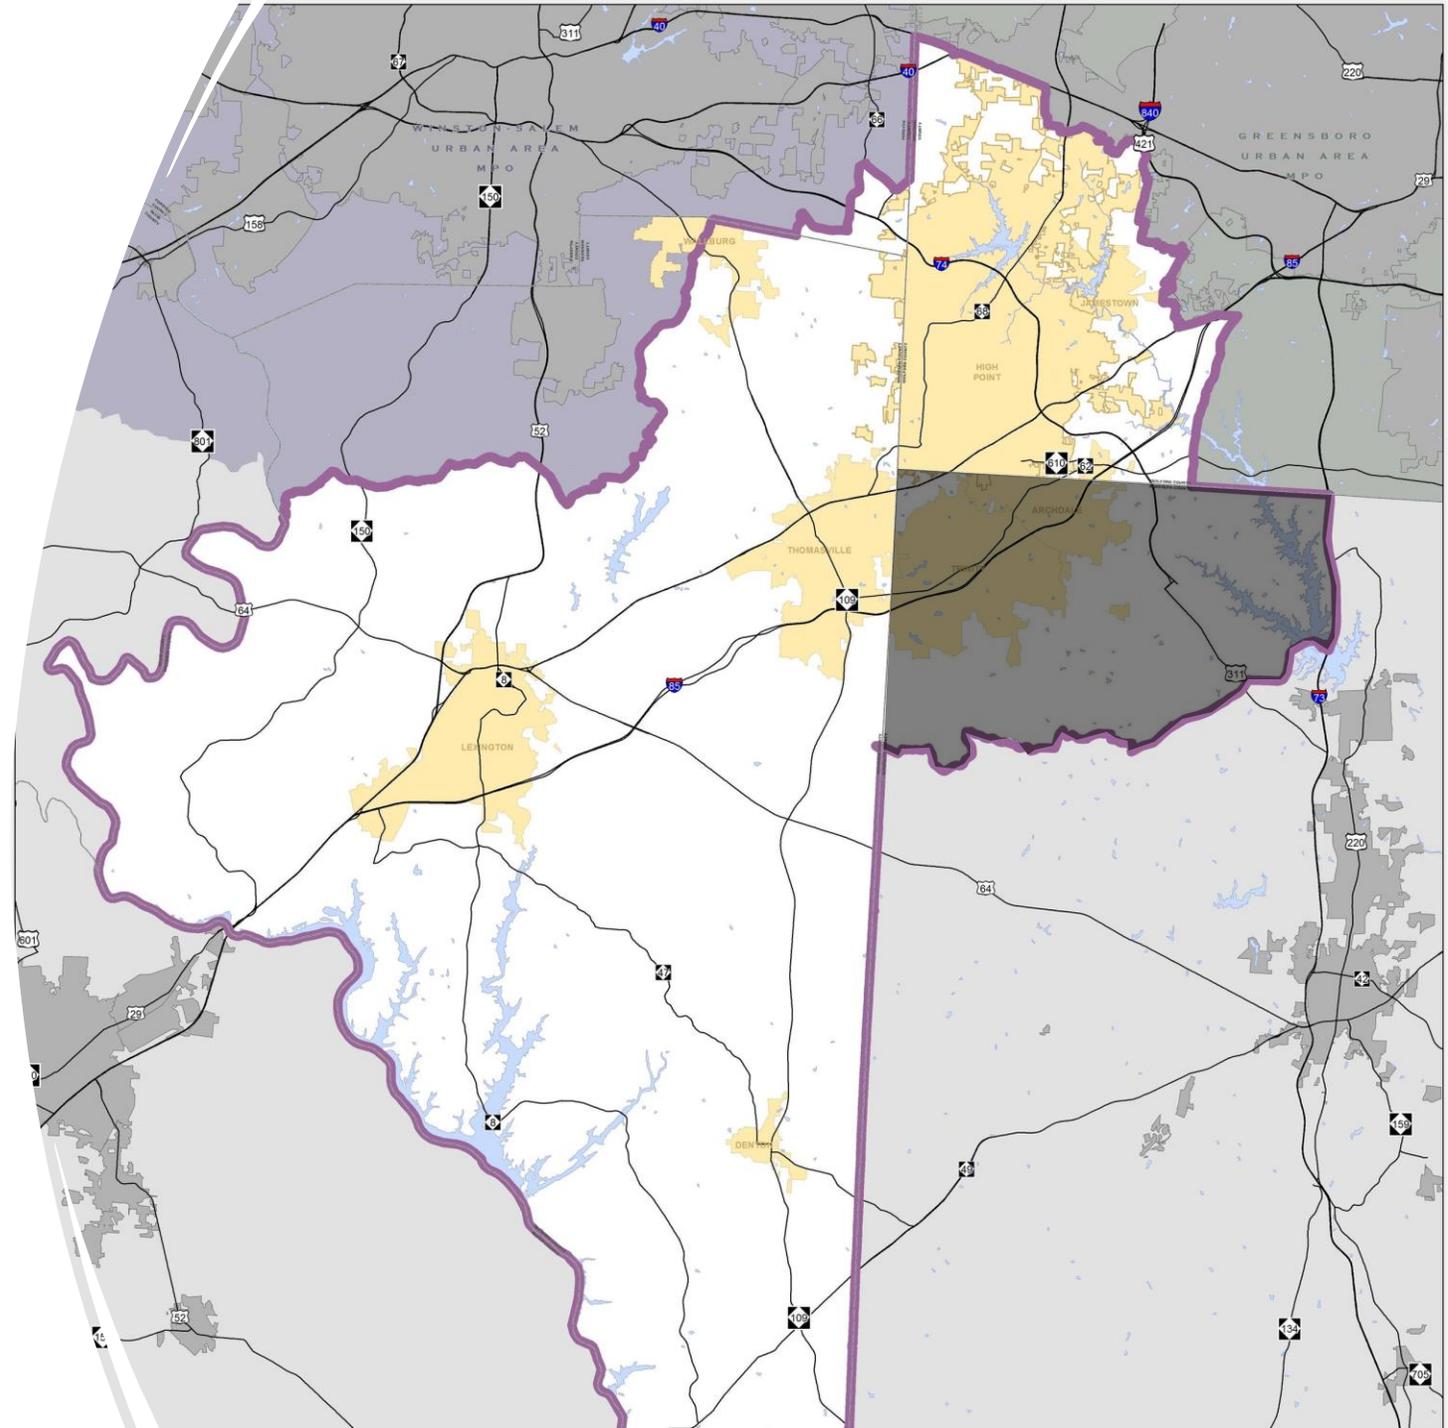

- Over 3 million dollars in non-obligated funds from the previous three cycles.
- Randolph County is within air quality attainment where as Guilford and Davidson County are air quality maintenance areas so Randolph County is not eligible for CMAQ funds.

# MPO Call For Projects & Selection

1

Receive apportionments and open call for projects

2

Work with local jurisdictions to create draft project application

3

Send to NCDOT for project eligibility review

4

Send to TAC for project and funding approval

# Looking to the Future

Rolling call for projects to develop a needs list

MPO staff will pair projects to eligible funding sources with input from local staff

Redevelop project selection criteria to ensure projects can be delivered on time.

Develop technical assistance to help local staff apply for funding and deliver LAPs
