RFID PRECAST LOOKUP

The results list will provide you with the entire barcode number, if the piece is on a FIR and if it is Available. A piece received on an LGA job must have an Alt ID Status of Available. I have also circled some other interesting bits of information available in this results list with a BLUE circle.

Typing a '*' at the end of the value to be searched will result in all records starting with that value being retrieved. (Ex: '1C0123*' results in all records sta
